

S-C-A-T Song

Handlers, there's no need to feel down
I said, handlers, pick yourself off the ground
I said, handlers, I see you moping around
There's no need to be unhappy

Handlers, there's a club you can join
I said, handlers, all it takes is some coin
Why not join us, and I'm sure you will find
Many ways to have a good time.

It's fun to be in the S-C-A-T
It's fun to be in the S-C-A-T
We have everything you will need at a trial
You can hang with your dogs in style.

S-C-A-T
It's fun to be in the S-C-A-T
You can play with your dogs
You will get a good meal
We're a club with real appeal

Handlers, are you listening to me
I said, handlers, to play agility
I said, handlers, you can go for the Qs
But you've got to know this one thing.

No trial, can run without you
I said, handlers, our thanks go to you
For your hard work, each and every time
You are the reason we can shine!

S-C-A-T
It's fun to be in the S-C-A-T
We have everything you will need at a trial
You can hang with your dogs in style.

It's fun to be in the S-C-A-T
It's fun to be in the S-C-A-T
You can play with your dogs
You will get a good meal
We're a club with real appeal

Handlers, are you ready to run
I said, handlers don't forget to have fun
I mean, really, this is only a game
You don't want to go insane

So when you are out on the line
Look around you, take a moment of time
And be grateful for this day with your dog
It will go by way too quickly

It's fun to be in the S-C-A-T
It's fun to be in the S-C-A-T
We have everything you will need at a trial
You can hang with your dogs in style.

S-C-A-T
It's fun to be in the S-C-A-T
Handlers, handlers, there's no need to feel down
Handlers, handlers, pick yourself off the ground

S-C-A-T
S-C-A-T
S-C-A-T
